

Join us in Hawaii for the
First World-wide Conference about Dolphins and ETs
Leadership, culture and knowledge:
Gateways to sustainable living in our interplanetary future

DOLPHIN & E.T. CIVILIZATIONS

June 10, 11, 12, 2005 - Friday, Saturday, Sunday

PLACE: KING KAMEHAMEHA'S KONA BEACH HOTEL

Kailua-Kona, Big Island, Hawaii

Home of the Hawaiian Spinner Dolphins

In this tropical, oceanfront setting, we will present academic scholars, researchers, channels and scientists in the field of Human-ET and Dolphin communication, who's lives have been changed by contacts with these highly evolved beings and who now share their experiences with us.

Stanton Friedman, M.S. - Dr Courtney Brown - Dr Richard Boylan

Linda Moulton Howe, M.A. - Michael Horn - Dr Michael Salla

Dr Richard Sauder - Patricia Pereira - Marcia Schafer, MBA
